Alcatel-Lucent Customer and Business Partner Portals

About this Portal

This Portal is for users who have registered as Customers or Business Partners. It is your gateway to resources such as Order Management, Customer Support, Training, Industry Analyst Relations, and Collaboration tools. If you have not registered and need access to these systems, we encourage you to register today.

If you already have a login to one of the previous Alcatel or Lucent applications, please use your email address as your User Name.

You can access the publicly available site information and tools - including solutions and financial reports - without having a login.

Registration for access to Alcatel-Lucent Customer and Business Partner Portals

Do you need to register ?

Our [Product Catalog](#) is available without registration. For help purchasing Alcatel-Lucent products and services, [Contact us](#).

Former [Alcatel Business Partners](#) should access the extranet for their respective program. Customers who need support on former Alcatel products should use the [Alcatel Global Support](#) site.

› Please choose North American Business Partner option if you are a current North America Business Partner (Distributor, System Integrator or reseller with a signed Channel contract).

For Employee Access Instructions - [Click here](#)

If you need help registering, please review our [Frequently asked questions](#) or [Contact us](#) for assistance.

Select role

Which term best describes your company's relationship with Alcatel-Lucent.

- Customer**
For customers who have active warranties, contracts, agreements or other business arrangements for sales or services.
- North American Business Partner**
The North America Business partner Program is exclusive to the North America Region (do not register here if you are not a resident of the U.S. and Canada).
- Global Business Partner**
For distributors, system integrators, resellers and service providers as resellers. Requires an active [Advantage Business Partner](#) contract or other legal agreement.
- Industry Analysts**
Industry analysts perform and publish research on the trends, technologies, products, regulatory issues, and end-user needs and behaviors within the telecommunications/networking industry. Analysts who evaluate the investment potential of technologies or companies in the telecommunications/networking industry are considered financial analysts and should refer to the publicly available information on the Investor Relations webpage.
- Training and Other**
For use if you have no other business arrangements with Alcatel-Lucent. Should be used if you need to register for Training courses and have no other account. It provides limited access to our Web site.
